The Lady:

Alex is as breathtakingly beautiful as she is in her pictures with an incredible figure and the most captivating of smiles. She's an intelligent and well-spoken girl who I'm sure would put even the most nervous of novices at ease.

The Story:

I can't stress enough how much I enjoyed sessioning with Alex. She is an absolute beauty with a genuine passion for kink and a devilishness about her that had me mesmerised from start to finish.

Everything that was to be included was discussed and agreed by e-mail in the days leading up to the session, and upon arriving on the day Alex sat me down for a brief, friendly chat to talk over in person exactly what I hoping to gain from my time with her and how she could best incorporate my many fetishes. And it was clear to see that she took on board each and every thing that I mentioned to treat me to the most delightfully cruel time.

Alex's switching between playful and cruel personas was expertly executed and one of the many little things that she got oh-so right. What's more I would be remiss if I didn't complement her on her rope work! Without going into too much detail I'll just say that being tied up and forced to obey her wicked whims was certainly a very fun way to spend my afternoon!

Thank you Alex for making my afternoon one to remember.
