The Premises:

Very discreet flat. Quite difficult to find at first. Small one-room flat, extremely clean and cosy.

The Lady:

Charming Spanish/Latin lady. In late thirties, possibly early forties. Be advised: her photographs really don't do her justice. No idea why. Perhaps she's not very photogenic. In the flesh, Kate is lovely. The perfect MILF but with an incredible little body. Enhanced but not plastic-looking breasts. Taut, flat stomach and gorgeous curvy hips and bum. She manages to look incredibly womanly but she's also quite petite. The body shames girls half her age.

The Story:

Greeted with a warm hug and a smile. Kate's English is not fantastic, but she makes up for it in other ways.

Short massage beforehand and then great covered oral. Kate then bent on all fours at my request and let me tongue her from the rear. She's completely shaved and smooth and her vaginal lips and clit can become quite prominent, which I find very sexy.

She then straddled me, really working her wet vagina and grinding her hips on me. Finished off with doggy style, before I pulled out, removed the condom and spurted over her arse cheeks and up as far as her shoulderblades, which we both had a giggle about.

Can't wait to visit her again
