### The Lady:

Early 30s MILF. Curvy (not BBW). English. Looks like photos. Pretty face. Nice accent. Large breasts.

### The Story:

Saw her profile first listed in London last month. Liked the pics - attractive face (that face pic not on profile at present), curvy, English. New to the AW site but not to escorting I think. Called and spoke to her and she sounded intelligent and well spoken. Was on a tour to London but could not meet me as she had to return home for personal reasons. Arranged to meet her next trip (which was yesterday). 1 hour incall (I would have done more but her train was very late and I had a pressing engagement to go to). I usually do two hours if I can. Nice lady: Very apologetic for lateness and just setting herself up in a flat in West Kensington (she did not seem all that familiar with London geography) in a rush to meet me so a slightly chaotic meeting.

Plus side: Nice (curvy) body. Good heavy boobs with large nipples. A slight tum (a negative). I would say very early 30s MILF. Very pretty face. Good accent. Interesting tattoos. Rock music maven.

Services: As listed (no extra charges for me). Nice DFK. Very, very good oral (without). Good technique and she was eager to please. I could have happily sat there and let her finish me off but decided to explore. Reverse oral was enjoyable and she was responsive. Off with all her clothes and on to full sex. Nice bum (though not sure Anal is available, alas). Various positions (she asked what I liked which is always a plus). Finally ended in cowgirl and she was in a good position. Rode me to a fast finish - I warned her I was close - she said "we can always go again". Time (on my side) would not permit that.

Slightly scatty in terms of organization (the flat she had rented for part of this tour was really not great). Very willing to please. Will also appeal to those who like rock chicks. Hard to capture the essence but very much the passionate & natural GFE in a more mature English wrapper. Very very good VFM. Needs a better location (but she knows that too and I think is moving on Monday). Potentially very submissive. I would/will certainly go back (at those rates) and could afford to bring my own towel (which on reflection, over the years, is something I should have done anyway). Hope

this helps. Her rate is now (lower) to £90 a hour but I think CIM would be extra.
