The Lady:

Photos accurate. Just over 5 foot, deffo indian, mid 20's. Speaks english well but then she may have been born here -didnt ask.

The Story:

booking by phone was easy. She texted me the address. when I was outside i rang her and she told be how to get to her.

She answered the door in a dress and heels. we went to a living room and sat on the sofa for a while and chatted. Got my first grope of a nice firm arse. Did the paperwork then we went to the bedroom.

She stood on the bed so we could do some standing kissing -she is a LOT shorter then me!

Then suddenly she took her clothers off all in one go. and she undressed me.

She kneeled on the bed and bent over showing her fine arse again. seemed rude not to lick the offered pussy so i did.

Then a BJ followed which moved into 69.

Well more sucking went on for some time in various positions which i enjoyed and she seemed to too.

Condom on then i took her into the living room - she was on the table while i stood and shagged her.

Then back to the bed for spoons to finish

lovely time with a fine lady

nice cuddle and chat to end.
