The Premises:

One of the usual excellent flats in the Armouries area of Leeds, clean and modern, good shower, towels etc.

The Lady:

Harper is 20, but looks even younger. She is very slim and petite with a beautiful tight and rounded arse and lovely conical tits. She has long straight brunette hair, lovely dark eyebrows and very sweet tiny little ears - the overall package is pretty and you cant help but feel a little guilty as if you were eyeing school girls at the bus stop!

The Story:

Despite being nearly three times older than Harper she appeared perfectly relaxed with the situation and chatted away about her experience of 'working' life and her enthusiasm for what is a fairly recent career choice for her was very encouraging.

Had a nice shower and Harper demonstrated very good oral skills (she has a tongue stud), I reciprocated and she appeared to enjoy my brief attention before I could wait no longer. Bit more oral, on with the condom and in to Harper, nicely positioned on her hands and knees for doggy in front of the mirror. I had a good long session banging away and finally came over her tits with her tickling my balls.

If you like the school girl physique and and enjoy the company of very charming and engaging 'girl next door' company then Harper would be well worth a visit.
