The Premises:

Nice busy and anonymous hotel. Decent room with an extensive selection of toiletries and refreshments offered.

The Lady:

The sort of lady that would turn heads. She is in her early twenties, flowing brown hair, pretty face and great figure.

The Story:

Wow, I know it is a cliché but I hesitate to post this review as I fear she will soon become far more popular and end up amongst the more expensive girls in the agency. However, she certainly deserves it. I feel like I've made a new friend: and a very sexy one at that.

She greeted me wearing a flattering and classy dress. The business was taken care of and I jumped in the shower.

After being suitably refreshed after a sweaty tube journey I got out of the shower and a nice refreshing drink was waiting for me. She had treated herself to a cheeky little cake whilst I was in the shower and I was offered one - but a figure like mine doesn't need sweet treats! We started with a brief chat: she is very engaging in conversation and I felt immediately at ease. I sometimes find it hard to "perform" so this is very important to me. She soon commented that she was over-dressed and removed her dress to reveal a stunning figure and we soon got down to some naughtiness. I shall draw a veil there but suffice to say I didn't have the performance issues which have so dogged my entry into this world.

After round one we sat and chatted: as I said above - she is exceptionally good to get along with and obviously an intelligent lady. I was soon ready for round two - literally a first for me! She was enthusiastic and I tried some things that I've never tried before in my very pedestrian experiences prior to this.

All in all, she's a fantastic girl. I've already started saving for a second visit.
