### The Premises:

This place has a Intercom from the street you get buzzed in to an open yeard you go up some steps (It's the building in front of you as you go up the steps)

But you need to go around the back of this building (past the door that has Toilet on it)

You will see a sign "The Pleasure Dome" walk up to the sign turn left and that is the door you need.

I've give this detailed lay out as I was walking around the yeard for 2 or 3 minutes before I found it.

### The Lady:

Petite Size 8 In her Early Twenties (I think she is mixed race I did not ask)

### The Story:

Started off by having a bit of a massage & a chat then she did a bit of body to body massage

she started to talk dirty to me telling me what she is going to do to me

we started to kiss (closed mouth kiss no tongue)

She then give me some OWO this was very good I had to stop her so we can go on to sex

she put on protection got on top and started fucking me we did this for most of the time

I was not far away from coming when she got off me

take off the protection and started giving me a BJ again I shot the lot in her mouth (she spit it into a tissue)

I got dressed and that was it.
