### The Premises:

Debbie's is well known. Clean and friendly basement flat with two bedrooms. The discreet back entrance is preferable, but the front door, next to a shop is pretty anonymous.

### The Lady:

Amber is petite, lively and charming. The photos and description on Debbie's site are as usual, fair and accurate (and not as nice as the real thing).

### The Story:

There have been no review of any girls at Debbie's since November 2014, and there have been quite a few changes in the roster. Is something wrong there?

No need to worry. The place is still the same as ever - relaxed and friendly. A good place to unwind in good company.

Sarah the maid let me in and got me a cup of tea, before Amber came and discussed terms. There would normally be two girls on a Sunday, but today was London Marathon day, so they decided there would be less demand.

I opted for the £70 special with assisted shower - just the thing on a cold day.

We got warm and friendly in the shower, and returned for an extended and very well executed session of oral and 69, which we both enjoyed. Oral is something that Amber is very good at. After that sex was quick and explosive, and Amber took plenty of time cleaning up slowly and luxuriously.

As always, there's no hurry, and I enjoyed a chat with Amber about all sorts of things. It seems she does offer - and enjoys giving - plenty of other services, but you need to ask rather than assume they're on offer.

I'm feeling revived after an afternoon well spent, with a skilled and attentive partner. Thanks Amber!
