The Premises:

Easy to find block of flats. Good safe parking and premises were warm but not the cleanest. Shown into a small bedroom with a mattress on the floor.

The Lady:

Big girl but not massively overweight. I knew this from her description and was fine about it. Very big boobs and blonde hair. Attractive face.

The Story:

Very bad experience. Booked a 30 minute incall and as ever looked forward to some good owo. She advertises on another website and people have commented on her skills. Got there and gave the money and was told to get undress and lie on "the bed". When she came back she took off her top and bra then started to play with my cock. Then opened a condom packet. I told her I wanted owo and she said she didn't do that for a 30 minute appointment. I asked why not and she said it would be £20 extra. She put the condom on and sucked away. Her technique would have been pretty good had the moment not been ruined for me. After a few minutes she said there was no need to lie there pissed off. At that point I stopped proceedings and got dressed and left.
