### The Premises:

Free parking within a 2 minute walk from Chloe's apartment. Chloe provided clear and concise instructions on how to find her apartment block and I was able to go straight to her door. Chloe's apartment was clean, tidy, bright and modern.

### The Lady:

Chloe exceeded my high expectations in every way. Physically she is a tall (5'8") curvaceous, pretty lady with large, firm natural breasts and a gorgeous arse to match. She has very full, ample lips with a delicious arch to her upper lip.

In terms of her personality she is vivacious and friendly immediately putting me at ease but also maintaining an air of anticipation and excitement. Chloe has a lovely voice and a very sexy naughty giggle. Conversation flowed well and there were no awkward silences. She is an intelligent lady able to talk in depth about virtually any topic.

### The Story:

After making an appointment via telephone I emailed Chloe to introduce myself and my preferences. She replied promptly and agreed to a request that I'd made for her to paint her fingernails and toenails a particular colour. I confirmed that I would be attending on the day of the appointment by text message as instructed and was immediately sent directions to a discreet parking location. Upon my arrival I called Chloe as instructed for her to guide me to her apartment.

Chloe greeted me at the door with a welcoming kiss and a beaming smile and led me in to the bedroom. She looked incredible in a tight black dress, summer stilettos and her fingernails and toenails painted as I had requested. I was offered a drink and asked to make myself comfortable, after which we handled the paperwork. Chloe is an amazing kisser with her full, plump lips and we kissed passionately for several minutes whilst embracing and chatting. Chloe was very mindful to take care of my clothes as she undressed me, hanging my suit jacket and shirt inside a wardrobe.

We undressed each other and continued to kiss as we laid on the bed. I moved down her body and played with her ample breasts until I decided to go down on her. Chloe is very pretty down there; hairless except for a small trimmed landing strip and she tastes divine. Afterwards Chloe returned

the favour with a very attentive blow job demonstrating impeccable technique; just the right amount of wetness and plenty of stimulation with her hands, mouth and tongue. I'm waxed in that area and Chloe paid a lot of attention to my balls which I love, and she brought me to a shuddering climax using her mouth and hands.

We talked and kissed for a while, and then I explored Chloe's body some more. She has a very responsive nature to pleasure and seemed to give good indications when she was enjoying what we were doing. I rimmed her for a while and again she is very pretty in that area. She also has lovely feet and toes.

Chloe then demonstrated her oral technique on me once more and after a brief interlude to take care of a stray hair she put a condom on to me and we had sex. Chloe was very enthusiastic throughout and whilst I'm sure she'd have happily performed in any position I'd have wanted to we stayed in missionary throughout with her leg up over my shoulder. I found Chloe too attractive to deny myself the view of her as I was inside her so I enjoyed myself sucking her toes, licking her soft soles and watching her big, natural breasts rhythmically gyrate as I ground my hips in to hers. After I climaxed we laid on the bed for a while chatting until our time was up.

Chloe never once clock watched or made me feel as though it was a chore to be with me. I had what I would call a genuine girlfriend experience and I would highly recommend Chloe. If you do meet her please treat her well as she's a really lovely lady.
