The Story:

This very sweet lady had a bag of tricks with her (I do mean a bag of tricks) and we decided on simple stuff which was me being blind folded. Amazing, she also had a tongue vibrator thing which she used sometimes when going down on me, that was great, if you are into toys more power to you but I kind of preferred the owo without the toy. She tastes great, and came hard when I went down on her. We had sex cowboy style and she really knows what she is doing. This lady is a gem, a combination of seriously sweet with just the right amount of dominance. I will be back!
