The Premises:

Clean and inviting with a relaxed atmosphere but the showers could be better!

The Lady:

Looked tall in heels but probably about 5'5", curves in all the right places, large enhanced boobs, dark hair and pretty face. Very nice girl!

The Story:

Well I decided to spend part of my bank holiday Monday trying yet another girl on the La Maison rota, and as I'd read some good reviews on Claire I decided to pick her when turning up without an appointment. Claire is a lovely Yorkshire lass, easy to talk to and great in the room. After a quick massage and chat, I turned over for some brief kissing, including a little bit of DFK, and then Claire gave my cock a good sucking. Claire's technique is really good with lots of spit, different speeds and some ball licking throw in for good measure. It was then my turn to perform a bit of oral on Claire, and I was determined to make her cum, which I just about managed to do through some tongue attention to her clit combined with fingering of her pussy. On with the condom for sex in mish, cowgirl and doggy. After the great oral at the start, I decided I wanted to cum in her mouth, so off with the condom for the big finale. A great end to a great punt. Well recommended. Apparently Claire does a cracking two girl with Sasha, so that is next on my list.
