The Premises:

Easy to find just off main road ,when she gives you directions .quiet little side street clean house .

The Lady:

Slightly bigger than the profile pictures of her on adultwork. Attractive tall voluptuous blond foreign lady with curves and the biggest tits I've had the pleasure with .

The Story:

After shown to the bedroom she made gfe experience kissing Kate alone is worth going to see her with big voluptuous lips .whilst teasing you with 40h tits and the biggest nipples I was loving teasing and sucking they were like huge bullets .the rest was a pure joy ,in seventh heaven with a natural beauty .
