The Premises:

Quiet, clean tidy 3rd floor flat off Cranbrook Road in gants hill area. Parking on street not a problem and flat clean as looks like a place she lives in. Bathroom was clean and fresh towel offered.

The Lady:

She is an attractive indian lady about 31 years old from India so has an accent but english is fine. She is about 5.2 with a nice tight body, large 34d boobs and a very nice butt. Nails manicured and wearing nice panties/bra when greeting you at door.

The Story:

Started off with a back rub which was ok though some oil couldve been used. Turned over and she put the condom on and started sucking me off, not a bad technique but certainly far from the best I've had. I had to tell to start playing with my balls which she did but seemed in a little hurry to start fucking. I asked her to continue with the BJ which she did and then she wanted me to get on top, however I wanted to see that arse while banging her. Which is a very nice tight one and I slid my cock into her very tight pussy. I'm 7 inches but anyone bigger may struggle as it felt very snug around my cock. She doesnt moan or get into fully so its a bit one sided, I fucked away for about 10 mins till I shot my load inside the condom. I have seen this girl before in Maryland, Leytonstone but when I asked her about this, she denied every working there..(not sure why).

On the downside, there is a very musky smell from her pussy which maybe off putting for some, I had to breath thru my mouth to avoid being put off..this doesnt mean she not clean as she was very fragrant otherwise and freshly showered...maybe just how her pussy is. I'd say go visit but I wont be going back as I didnt realise it was her from Maryland till I actually went inside and recognised her.
