The Lady:

Really hot, Camilla is average height, nice perky tits and a text book blonde bombshell. She is Eastern European, either Polish or Russian but she spoke great English and was very outgoing and talkative.

The Story:

At £150 and an Eastern European London escort, my expectations were fairly low. From personal experience Eastern European escorts tend to be extremely attractive but usually very cold and distant. As soon as I saw Camilla's beaming smile I knew this wouldn't be the case with her. She seemed really eager and naughty to get the appointment started which I find a massive turn on. She was wearing sexy revealing lingerie as per my request and pushed me back onto the bed. Camilla really likes to take charge in the bedroom which wasn't an issue for me, I just laid back and enjoyed the ride.
