The Premises:

Brooklyn's is well reported on.

The Lady:

From the web site: A fresh faced beauty in her mid 20s. Standing at 5'7" she's a pretty brunette with waist length hair and big hazel eyes. McKenzie is a sexy slender size 8 with a busty 34dd/22/34 figure and perfect slender legs.

I would agree with this description, except the mid 20's. After talking with her I would say a little older. However any mid 20's lass would be proud of that body.

The Story:

Called in at Brooklyn's on the off chance having had a quick look at the web site to see who was on. I was a little sceptical when I was informed that only McKenzie was available, as there was no pictures of her on the web site. When McKenzie came through and introduced herself. I was more than happy with her slim size 8 figure in black underwear.

My frame of mind was to relax, so I enjoyed a massage, OW (to prevent over excitement), 69 and cow girl with McKenzie. McKenzie took care to ensure I was enjoying the whole experience.

Talking afterwards found out that McKenzie had only just returned to the industry after a break and this was her first day back. I would considerate that I felt lucky that day.
