The Premises:

Easily accessible, central location, discreet, and in a safe area. Directions were easy to follow and Alex was very helpful on the phone. Inside you will find a spacious and clean bedroom with plenty of equipment. Bathroom facilities were excellent with fresh towels and various toiletries.

The Lady:

Absolutely stunning. Alex looked amazing from the moment she opened the door. Pictures are accurate but of course she looks even more lovely in person. She has a gorgeous body and an amazing personality. Extremely friendly and welcoming. I felt very comfortable and safe at all time. She has beautiful legs with some very nice tattoos.

The Story:

Definitely one of the most amazing and interesting people I've met. If you are considering going to anyone else, you will regret it! Cannot recommend Alex enough.

First contact was through email, and Alex responded quickly and professionally. I sent her a rough idea of what I was looking for and a range of possible dates. We quickly confirmed everything and the appointment was set. Once I confirmed the appointment, Alex sent a guide for what to expect and how to prepare for the session which is very helpful, especially for first timers or anyone that's nervous.

On the day, I called and confirmed after which I was sent the directions to her place. Very easy and smooth process. Once I arrived at the location, I was buzzed in and greeted at the door by Alex. At no time did I see anyone else or have to interact with anyone except Alex. Everything was very discrete. Alex was dressed in what I had requested and looked gorgeous. I was then taken to the bedroom where we had a quick chat about the session (not taken from the session time). I wanted to split the session between pleasure and pain and try out many of the equipment she had. Before the session you will be asked to shower which is great to freshen up and get in the mindset for RP. As soon as you go back to the bedroom, Alex will be in character but you will always be able to stop if you feel uneasy at any point. Alex was amazing in the session, she was able to react to my actions throughout the session and really deliver an unforgettable experience. I would definitely recommend going for at least 2 hours. I was worried it was too long but the time will fly by. Alex is able to keep the session extremely fun and interesting any everything just flows incredibly smooth. After the

session, I had a very nice chat with Alex about everything that happened and BDSM in general. For anyone that's nervous, rest assured Alex will put you at ease at all times. Afterwards, I did not feel rushed at all and the bathroom facilities were offered to me again. I definitely plan on meeting Alex again.

I definitely highly recommend Alex!
