The Premises:

Very classy inside. Thee room was large with mood music, candles, large jacuzzi. Parking easy outside and very quiet street.

The Lady:

Pin - stunning thai lady. Very pretty. Quite tall, lovely figure with large boobs.

Julie - Also stunning thai lady. Very slim and petite, sexy toned body.

The Story:

I was looked after from the start to the end of the visit. Julie insisted that she undressed me, taking every item off for me. I then experienced a lovely 4 handed thai massage. Both girls are clearly expert at massage and my back, shoulders, legs and feet were massaged. I felt very relaxed.

Rolled over for more massage looking at these 2 beautiful ladies. Full service followed all very nice.

Next I was led to the jacuzzi bath. Pin joined me in the bath and washed me carefully and intimately whilst Julie massaged my head. Pin started to massage and give hr, Julie hopped into the bath to help her finish off.

Afterwards Julie dried me and then dressed me item by item. She even fed me some chocolates.

Altogether this was a very sexy and relaxing experience. I've never experienced thai hospitality before and I was really impressed. The 2 ladies were both friendly, stunning and incredibly attentive. Both clearly wanted me to enjoy the experience. I'll definitely return. Expensive, but luxurious- a treat.
