The Premises:

The street is a quiet side street, not far from the Marylebone Road. The house is clean. I was offered a drink when I arrived, and another one and a shower before I left.

The Lady:

Samantha is absolutely stunning - the picture on her website doesn't do her justice. She has a mouthwatering figure, long blond hair and an aura of mind-blowing sexuality. In her heels, she's easily 6 feet tall. Her legs go on forever.

The Story:

I asked for CP, foot worship and high heel torture, something that I have often found that girls don't get the hang of. Samantha was an expert at all three; the CP was perfectly calculated, increasing in severity as the session progressed. She took me right up to, and beyond my limits.

She changed her footwear three times, from very high stilettos via some patent leather boots to a pair of thigh boots with metal heels - exquisitely painful.

I planned to stay only for 30 minutes, but the session was too good to cut short.
