### The Premises:

HOD 1. Upon my arrival the frankly amazing Sarah was clearing up in the room. I copped a sneaky butchers of her pendulous breasts as I was shown into the ante-chamber, ie the room with the settee.

### The Lady:

Priya is a British born Asian girl from the midlands in her early twenties. About 5 foot 3 with lovely, soft flesh and very feminine. She was both taller and prettier than I expected. I was half expecting to be disappointed by her looks cos on two of my recent visits to HOD (for which no review was submitted) I did not fancy the girl, but at least they were both friendly and amenable.

### The Story:

I was soon asked to go into "the" room and Priya wasn't far behind. I asked her to put her hand on the chest of drawers and that we stand near to one another and lightly brush against one another. She oh-so-gently rubbed her bum against my cock and slowly turned round to kiss me. Priya has lovely, sensual lips and is a wonderful kisser and I love the shape of her mouth and her youthful complexion. Priya is a pliant girl who did as she was asked and she was asked to suck my cock. She did so by bending over in a standing position and by the time she had finished my cock was dripping with saliva. Next Priya lay on the bed and whipped off her knickers, revealing a hairy c\*nt which she asked me to eat, and of course I accepted. To finish Priya climbed on board of my cock and as we fucked I fondled her arse like I was kneading dough, and I gave it a few slaps which she said she likes. Definitely worth another visit and I will take her from behind next time.
