### The Story:

Had my eyes on this precious girl for some time and yet I was always welcomed by a not available response always. I can now understand why this lady must be so popular, it's really no question about it. I arrived on time, prefer always to better wait 5mins outside then be late. Nessia, well she is 'mon reve' now but I will try to write the review based on the actual experience. She greeted me in a beautiful lingerie ( stockings, high heels and a sexy robe included Oh yes! ) with a warm welcome, great smile on her face she kissed me on the lips directly. I was at this point still trying to comprehend all her beauty, but the kiss took me by surprise. Her bedroom is really nice, drinks and shower are provided and it's one of those places where you can just enjoy the moment in a calm and relaxed atmosphere; Well, that wasn't exactly how it all happen, but just saying you could do that. Nessia shut the door behind us, pulled me on the bed starting with lots of DFK in a rather passionate and exciting way. She unzipped the buttons from my pants and had one of the best orals ever. her technique with lots of tongue ball touching and other things I should keep for my self brought me to a whole different level. I am still keeping it strong so my fellow didn't disappointed me with shooting all over yet. We switched to some DATY which Nessia seemed to enjoy fully, turned her over for some more, including the great view. Her small panties now put aside, made space for my hard cock. We rocked the bed for some time in doggie then decided to switch for reverse cow girl. Man this girl has a great ass. She does anal, as it was mentioned previously we tried and succeeded to indulge into that also. She is full of energy and knows how to ride. Finished in her mouth, at least she wasn't moaning no more. Marked and passed each box.
