The Premises:

The establishment, is stylish, clean and easily located with easy parking. It is discreet and very well run. I was new to this but made to feel completely at ease.

The Lady:

Rachel is a delightful, beautiful and sexy lady. Her photos are a true reflection. She is cheerful and instantly put me at my ease.

The Story:

Rachel gave me the most fantastic massage, it was relaxing and soothing and then stimulating in every way. The website says she is a trainee, all I can say is that she must be a very good student! I know Rachel will be fully qualified soon. I think I will book in for her graduation ceremony! Rachel smiled throughout, spoke at times and was quite when the moment demanded. She made eye contact which felt intimate and genuine at all times. It was a wonderful hour that left me fully satisfied! I would recommend Rachel without hesitation.
