The premises are as described on the Directors Lodge website. Clean well decorated and with a comfortable lounge area if you need to wait a short while. A coffee or soft drink will be provided by the receptionist. Easy on road parking.

The Lady:

Lucy is a beautiful blonde lady again as shown on the website photos. Perfect figure all natural early 30s so well experienced in the art of looking after a man. You wont be disappointed.

The Story:

Greeted at the door by the receptionist who was friendly and showed me to the room. I didnt have to wait this time - I have seen Lucy a number of times and had a drink in the lounge but believe me she is worth the wait if you need to.

A gentle massage started the session with some nice friendly chat. She then started to play with me and got me nicely hard before applying the condom. What followed was some fabulous oral before she slid up me and gently rubbed her pussy lips up and down my throbbing friend. She then asked teasingly if I was ready to go in. You can guess the answer !

Lucy slowly slid down me until I was all the way in. She then started to ride me while offering her breasts for me to suck on and play with - heaven. There was no rush and things moved along at a relaxed pace.

We changed positions a few times until I got on top, Lucy wrapped her legs around my neck while I pumped a full load into her. As I was coming she was talking urging me to fill her up and pump her.

An absolutely fantastic visit as it always is with Lucy. If you like your blonde ladies this one is something else. WOW !
