The Premises:

Up to the usual high standard expected at the London retreat.

Used the back room of the 2 available as it is a little smaller and therefore more intimate.

The Lady:

Alex - Slim brunette today (often she is a blonde) as sexy as hell.

Sarah - Slim blonde also very sexy.

Both of them were wearing black underwear with stocking and high heels, both were drop dead gorgeous.

The Story:

I don't usually go for threesomes as I find them a bit confusing and overwhelming. But the thought of a session with 2 sexy blondes overcame my inhibitions. Boy, was I glad I did as I think this was the best session I have ever had at the Retreat.

Started off with Alex biting my nipples and Sarah squeezing my balls. Then Alex sat on my face for some excellent smothering as Sarah continued to torture my cock and balls.

Alex then decided I needed some spanking and paddling this was duly administered to me. At the same time Sarah was smothering me with various parts of her body. Alex then decided it was Sarah's turn to spank and paddle me so they swapped positions, Sarah giving me a good paddling and Alex smothering me.

After this I was made to lay on my back as they both donned strapons and made me suck them in turn. At the same time I had to wank my cock until I came.

After this I was exhausted and I relaxed with 5 minutes of chat between the three of us. I left

drained but hugely satisfied. As I said my best session ever. I will be back when they are next together, or maybe just see Alex, or maybe just see Sarah, such a difficult decision.
