The Story:

Been tempted to see Khloe for awhile. I was very pleased when I saw her at the door and she looked exactly like her pictures. Told her I was only a one pop man and she started the whole thing slowly. Loads of kissing all over and everywhere and then amazing prolong OWO and 69 for about 40 minutes. Then on with the mac for various position but mainly with Khloe doing all the hard work, finished in doggy position and a nice chat afterwards and was probably in there for about 75 minutes. Fantastic EE girl with a great service. Will be going back for more soon. BTW she is very popular and does not take many bookings per day.
