The Lady:

British, very attractive in a girl next door sort of way, 30 something, dark blonde, slim, small - medium bust, average height, far nicer looking than I was expecting from the truncated photos on her webpage.

The Story:

An excellent GFE as one would expect from Prestige which is bound to satisfy all but the most discerning of connoisseurs. The highlight for me throughout our time together was seeing Ellie smile which she did frequently. This seemed so completely natural that I could have been easily persuaded that she was enjoying herself. She came across as being as thoroughly nice and in retrospect my main regret was not spending more time on the social aspects as I had other things on my mind.
