The Premises:

Very good large bedroom with shower

The Lady:

Very tall, very slim, pretty. about 20-22yrs.

The Story:

Met by the receptionist who as always is spot on.

Two girls on, picked Jessica and she is a very pretty girl.

Nice girl but as soon we got in the room the list of extras was given which was actually everything... £10 for kissing but no french kissing only pecks, another £10 for owo, another for reverse oral, another for using fingers and so on....

I'm used to some extras but usually offered after the girl has 'warmed me up bit' with at least some contact even if only a hug and a cuddle. I lost all interest right away with this approach and could barely get it up and settled for a handjob and got out asap.

Worse punt for ages.

Would go to Head Office again but wouldn't see Jessica.
