The Premises:

Well reported parlour in Attercliffe.

The Lady:

25 year old, exotic beauty, very long legs that are impossible not to catch your attention, extremely pretty face.

The Story:

Originally I booked for half an hour. I met Layla once before, had a great time and she seemed genuinely pleased that I'd remembered her and come back for more. (Basic tips girls, this can only ever have a good effect!)

My reward, it seems, was an unbelievably hot, full-on punt that, if I had the money, could have carried on all day. Great full-on kissing from the start, then really good OWO. Her pussy demanded tongue-fucking and Layla loved it! Then she rode me vigorously, getting me on the edge very quickly, but I managed to hold on to have a round in mish and doggy.

Then we're just laying back, chatting for the rest of the punt and I'm still basking in the glory of having just fucked this super-fit bird. I told her that if she can get me hard again before our time's up, I'll extend. Well that took her hand and mouth all of about 30 seconds to achieve!

So we did it all again, and it was just as enjoyable as round one. This game is seriously addictive. As if GFE didn't have enough superstars, in one week I've added 2 more girls to my harem. See earlier FR for Kirsty. They're mates too, now I've just got to organise a day when they're working together.

10/10, at least!
