### The Premises:

nice busy hotel, tube nearby, clean room, drinks offered

### The Lady:

slim brunette in very early 20s, olive skinned, nice full natural c cups, big nipples were unexpected bonus, very pretty face

### The Story:

was wary of this one as her face is blurred in the pics, but after reading the reviews on here i can confirm she's good and will no doubt put prices up very soon! Hot face which is a shame you can't see it in pics.

Seems to be a public school girl gone bad and was very open minded to my requests, will book again
