The Premises:

Well signposted location at end of cul-de-sac. Big car park with CCTV for security. Very secluded and not overlooked at all. Premises modern and very clean and well furnished. Bedroom very well appointed and clean. I paid upfront for a GFE

The Lady:

Roxy is about five feet eight inches tall with a wonderful figure and natural 36DD breasts, She is white caucasian aged about 30 and her photos do not do her justice. She put me at ease immediately and gave the impression she really enjoys her work. I shall be back!

The Story:

Roxy was surprised I had not undressed when i was waiting for her, She helped me and massaged my leg as I had a scar from a recent operation. I told her I was amenable to any suggestions but I do not do anal sex. She cuddled me and we stroked each other everywhere and when she helped me get an erection she gave me a great b.j. She allowed me a spell of pussy licking and squealed with enjoyment. On with the condom and she dominated the sex beautifully. There will be an episode 2! Money well spent !!
