The Premises:

I've always found the premises at Ego to be very clean and well run.

The Lady:

Very attractive lady, her warm personality made things very pleasant, easy to get on with.

The Story:

Rang the doorbell a few minutes before time and was let in by the charming and adorable Millie, offered a drink and then off to the room, only a few minutes later Tiffany knocked and came in, walked over and said hello with a peck on the cheek and straight away I felt at ease and things went on a literal upward curve from that point on.

Wonderful body to body sensual massage building things up to the turn over with just the right amount of erotica followed by a terrific ending.

Fantastic way to spend half an hour and would definitely visit her again.
