The Premises:

Bekkie rents out a perfectly serviceable flat in leafy Bracknell. You'll have to navigate your way through the warren of residential roads to find it. She can provide you the postcode by text. She has a mobile (of course), but since she wants to keep her private life private, I won't divulge it on here.

The Lady:

Bekkie has a really sweet, friendly face, and longish dark blonde hair. She's not tall, being just 5'1, but has a good, slim body with a great rack. There are no tattoos or piercings on her, which makes for really quite refreshing change as far as I'm concerned. I'm terrible at guessing people's ages, but she's what you'd call a MILF - in every sense.

The Story:

This was so much more than a parlour punt. We had a quick chat to begin with, which helped to break the ice, and over the course of the next hour I got what felt like genuine girlfriend experience. She neither looks nor acts like a porn star, although she can certainly do the dirty talking stuff.

We proceeded from French kissing, to me being able to enjoy her superb breasts, to oral both ways, to full on passionate sex in a few variants on the missionary and cowgirl positions. It was fantastic stuff. Bekkie was very responsive and horny, coming easily on several occasions. I prided myself on that - and on not ejaculating too soon!

After the 'main event', we had a nice cuddle and a chat about all sorts of things, including some of my options for next time - because as you might be able to guess, I'll be going back again. She's dead easy to talk to, and a really nice down-to-Earth woman. So treat her good.
