### Details of Service Provider:

### The Premises:

We met at Laura's clean tidy house in a reasonable residential area. Easy to find, easy to park.

### The Lady:

Laura is a well built, busty, blue eyed, fair haired, mature English lady.

### The Story:

Firstly comms with Laura are good and get very horny near the time of the meet.

When I arrived she was bent over on her bed ready for action but I went to her bathroom to freshen up first.

Then I got her to lie back for some licking, sucking and riming and fingering which I think she enjoyed.

Next she lay back with her head off the edge of the bed so I could face fuck her.

Then it was on with a condom and a bit of lube and I slipped into her bum for a good bit of anal which achieved the required result.

After some chat she knelt on the bed to take some hand spanking, flogging and then paddling which brought a nice rosy glow to her bum cheeks.

I covered up and slipped into her tight pussy, hoping to finish with more anal but I could not hold on and shot another little load.

There was a bit of time left but I knew I would be pushing another shot so we had a good chat and I left happy.
