The Story:

May I start by saying, I've only been punting for five months now. And normally punt around twice a month, so for that reason I wanted to have hold of reviewing anyone. I wanted to have seen enough girls to compare them, but haven't said that, you know when you've had good sex. Which is why I'm reviewing Jai.

Jai came inside the room, and the first thought was, wow she really does have a great body. Her pictures on the website are nice, but really don't do her justice. Jai introduced herself and we had a quick chat, Jai came across as very cool and chilled out, not sure how other men might take that but it personally made me feel very relaxed. And it made it seem less like paid sex. I left the money on the side and Jai saw it and put it away, so there was no mention of money which I like.

We started with a little kissing, which Jai was good at and didn't hold back which was nice. Followed by some touching, which is when I discovered that Jai likes getting her nipples played with. She was so sexy, I loved watching her so turned on. Jai came across naturally submissive which made my cock so hard! Jai started sucking my cock with her soft lips, glancing at me with my cock in her mouth. I then started slapping my cock on her lips and face. I then told her to put her hands on her head and she did without no hesitation. I was then free to smear my cock all over her lips. she didn't take her eyes off my cock the whole time. She then gave me probably the best blow job of my life. Seriously amazing. I then put a condom on and told Jai to bend over the bed, and gave her a good pounding whilst slapping her bum and listening to her moan softly. Jai then got face down and ass up, and I started pounding her pussy again. Jai then started to look back at me whilst I was deep inside her, and that was it, I couldn't take her horny face looking at me any longer so I took off the condom and came on her pretty face.

I finished 10 mins early, was going to just leave but than got talking to Jai about this and that. She was actually quite funny, and I saw a glimpse of her personality.

I had a great time. Was treated well from the moment I walked in, to when I walked out. Down to earth, young, sexy girl. Didnt feel like paid sex. What more could you ask for. Would highly recommend.
