The Premises:

Discrete walk up in a very nice square near Paddington / Bayswater. The room was small but clean, bright and modern. Only negative was that flat is 3 flights up sans lift.

The Lady:

Class look and conduct. Model like face with stunning green eyes, slim long legs, great behind and skin - some womanly curves but slim and energetic.

The Story:

Anita was very friendly and welcoming. She is brand new to London and the profession which made for a GFE session. Subsequent to the perfunctory 4-5 minutes chatting up the lady we indulged in some passionate DFK. I then disrobed her of the sexy cocktail dress. Anita has an attractive figure though with some womanly aspects. Next I went down on her for a while after which she returned the favour - and boy did she!! I was feeling kinky and interested in pushing the limits which Anita obliged by rimming me and then deep throating my sizeable manhood. As she was so adept I took the unusual step of face fucking her quite vigorously and she happily went with the flow. We then moved to some passionate sex in various positions where I finished in the rubber. After some more chit chat tried for round two which started off with a great BJ but I was spent and couldn't finish again. Would highly recommend Anita for her service, attitude and very pretty face.
