The Premises:

A semi house down a small/quiet road near woodford station. Parking is a bit tight as the road is small and lots of residents cars parked on street. Clean house with a choice of 3 rooms, 2 with a massage table and one with a bed. Showers are fine though never used them.

The Lady:

Teresa is a 26 year old petit chinese girl, really good looking, about 5.1 petit with lovely hands/feet.

The Story:

Been to this place many times but first review. Went upstairs to the bedroom as wanted the whole service today. Its one of those "massage" places with extras on offer. So after getting the £80 with the maid out the way, went upstairs for a great massage which lasts about 40-45mins but I wanting more. Asked for a BJ and sex...another £40 to the girl directly. She proceeded to lick my balls and suck my cock brilliantly, did a 69 for a while and what a fresh pussy she had (I was first one in, mind the pun). Then got onto the fucking, her on top, doggy, me on top till she came. She blew me till I shot my load...exhausted and all in all brilliant. First time I met Teresa but will be back...she usually on mon-tue. Place opens from 11am-10pm ish.
