### The Lady:

Paige looks the same beautiful and sexy in the real life as in her photos. Very happy with the outfit she was wearing, exactly what I requested.

### The Story:

I had always dreamed of being woken from my slumbers by a gorgeous French maid. What a fantasy! But this afternoon Paige made my dream come true. Wow! Before she entered the room I had undressed down to my underpants and was lying on the bed. Then with the lightest of knocks on the door, she swept in wearing her maid's uniform: so incredibly sexy, I almost came right away. Very short skirt, so that I could see the tops of her stockings held in place by suspenders: always a real turn-on with me, and I suspect for quite a few others too. She had a feather duster in her hands, and was busying about, careful to bend over several times so that I could admire the view. And what a view: her black panties so very tight on her butt. By this time my mind was on just one thing. She asked me if I wanted anything special. And moved the feather duster lightly down my torso. I asked her to reveal a little more to me, and the maid's uniform soon fell to her feet: she was wearing a black basque laced at the front, pushing her magnificent breasts high, not quite displaying her nipples – so tantalising. Her slender frame full of promise. By this time I was ready, more than ready to get into closer contact, much closer. What I did not expect, could not have expected was just how much Paige had to offer. My perfect French maid has certainly made my dream day one to remember! Paige was not once, not twice but three times my lady today!!
