The Premises:

One of the normal Annabella's establishments, parking outside and of the two places the one I prefer as it has quicker entry.

The Lady:

Mid-40s blonde perfection.

The Story:

I've long enjoyed the MILFs of this world and Sophie ticked all the boxes.

I was between appointments in MK and knew Sophie was working so called up and she was available.

She greeted me with a kiss and I asked if she had any stockings she could wear as she was bare legged and I love nylons.

A moment or two later she returned and we got better acquainted.

As it was only a short appointment having not met her before we kissed, chatted and had a lovely time. She is a non-smoker, incredibly sexy and a nice person to boot. She'd be welcome on my arm any time at any event and I look forward to booking her for longer next time.

Be ready for me next time Sophie, with that black dress you promised x x

Treat her well, she's an angel.
