The Premises:

Rather scruffy and tired looking premises. Long overdue for refurbishment.

The Lady:

Very pretty and slim Thai lady.

The Story:

Website says accompanied bath followed by naturist massage (also on a sign on the wall). This was flatly refused by the lady unless I paid her a lot more for these services. She reluctantly agreed to the naturist massage (with no touching) for an additional £10. All in all I felt conned by this experience, unlike at Annabellas where they do exactly what they promise!
