The Premises:

Easy to find flat near the main shopping centre. Decorated to Annabella's usual high standards.

The Lady:

Beautiful tall slim oriental (Thai/Filipino?) lady with long lustrous black hair, small and perfectly formed breasts and buttocks.

The Story:

I was shocked when she walked into the room wearing a flimsy baby doll top and thong as I had requested. To be in the presence of such a stunning beauty with a wonderful smile took my breath away. She immediately started to kiss me and things developed from there on. She allowed me to do all that I wished and gave me such wonderful looks and smiles while things were happening between us. It gave me the fantasy of being more than a commercial transaction (in fact she forgot to ask for the fee - which I had placed on the table - until all was finished. I then departed and she stood at the door and kissed me goodbye. I can thoroughly recommend this lady to everybody. In my eyes she is absolute perfection 10/10.
