The Premises:

We met at the SW1 Location for House of Divine. This was my 5th visit to these premises, in a good area. I walked there.

The Lady:

Chloe is about 27 years of age, blonde, pretty and about 5ft 6 inches without heels. She has a trim figure, smooth skin and lovely, long, legs.

The Story:

I had not met Chloe before but others had said very complementary things about her, so I took the opportunity to book her as soon as I could.

I was offered a choice of drinks by Rihanna and selected water, to be joined by Chloe seconds later, dressed in the same underwear and heels as in some of her profile pictures. My brain was broadcasting "WOW" messages, so I initiated a greeting by telling that to Chloe. When she asked me what sort of experience I was looking for I sensed a touch of coyness which I found really endearing.

I told Chloe about my penchant for gently exploring a lady's body for those unexpected places which can help to trigger a pleasant reaction, showing her a picture of one of her former HOD colleagues standing in readiness, sporting a blindfold.

Chloe said that she was up for it, so we kissed for a short while before she found herself in the same position as her predecessor had.

It only took about a minute for me to be certain that Chloe was going to enjoy herself. She drifted further into the experience with every kiss, touch and caress, lips quivering and arms trembling as the experience evolved. I removed her lingerie in the process, before eventually lifting her and placing her on her back upon the bed. I quickly stripped my clothing before paying her attention with

my tongue. Chloe built steadily up to the point where she almost exploded, before I let her down to base camp. Then I moved up to lie beside her, working on her top half as she started to climb the peak again, reaching the summit when I moved downstairs again.

We were both a little drained by the intensity of what had happened, so I took off the blind-fold and we cuddled for a bit while Chloe came down to sea-level.

Then she announced that it was my turn, starting with an exquisitely gentle BJ, gradually getting me completely ready for her question, "Shall we fuck, now?" I asked her to go for it in cowgirl style, so that I could take as much as possible of her in my vision as she worked on me. Strewth, did Chloe go to work! I was concerned at one stage that the bed might not survive, such was the energy which she put in. Well it survived long enough for Chloe to satisfy herself, again, continuing for a minute or so after I had cum.

After I had disposed of the protection and soiled a few baby wipes, we had time for a wind-down chat and cuddle, interspersed with intervals of Chloe hissing me passionately and tenderly.

As first encounters go, this was right up there with my best experiences: Chloe is delightful company, as well as a top-class provider.

Until next time..
