### The Story:

I had been intending to see Emma for some time, and I was very pleased to meet her.

When I arrived she showed me to the room, then asked me to get ready while she left the room for a couple of minutes.

I was naked when she returned. I said that I was pleased to see her and we kissed.

She quickly suggested that we get onto the bed together. We had a lovely kissing session - very intimate and loving!

I cuddled her and gently stroked her head. Then she removed her bra and I played with her boobs and licked them.

She really seemed to enjoy this. Next I asked to lick her pussy: she immediately agreed and took her knickers off. I stroked her boobs

at the same time. She obviously really enjoyed this and I made her cum after 2 or 3 minutes.

Then she gave me some lovely oral without, followed by more kissing and cuddling while she gently played with my pleasure zone.

Now it was time for the condom, and Emma got on top of me and we had lovely sex in the cowgirl position with her facing me.

While we were dressing we talked, including information about our cats. ( From one type of pussy to another...)

Before leaving she wanted to kiss me again.

It seemed that she was probably running a little late when I arrived, but this was no problem. She gave me a full half hour or more, and there was never any rushing.

A really lovely experience.

It has been said that Emma is one of the best girls in the business, and from my experience this is certainly true.

I hope to see you again soon Emma.xx
