The Story:

I've seen her twice and would happily see her again in a tick. You know exactly what you're getting with her. Professional to a T. Body-wise a little bit bigger than I normally go for, but she makes up for this with a cracking service. I think she genuinely enjoys what she does - or she's a bloody good actor! Started me off with a sloppy BJ - the sight of those lips around my cock and her hair flowing to my balls is something to treasure. She carried on until I stopped her when I was about to pop (1.5hours of booking - better enjoy this a bit more I thought!). Then I made her lie on her back for some RO. She made the right noises, and when I stopped, she went straight into returning the favour with more BJ without even a prompt. Experience!
