The Story:

The sex was really good. Francesca is also a bright lady who has been escorting for quite a while, she did many things that made me happy and I'd like to think I reciprocated. she definitely enjoyed my tongue action on her clit. She sucks dick really good, nice licking of shaft and good action with eye contact. Nice to see her eyes looking into mine as she thrust up and down with her mouth.

Fucked in various positions, all enjoyable. I am really pleased I saw her, and especially pleased that I saved myself some money by booking her direct and not through her agency, Bijoux.

I'd deffo go back, she's a great fuck. Recommended without hesitation.
