The Premises:

The Pleasure dome is a relatively new place in Birmingham run by a Lady called Linzi and a partner. Linzi I know from when she ran the Pump. If you know Linzi then you know that she knows how to run a place to a high standard and that she has a talent for engaging the right Girls. Place is nice, desecrate and has good facilities. Parking is great except on match days when Aston Villa is playing.

The Lady:

Kendra is a young Blond bombshell. She is pretty, sensual and naughty all wrapped up in a nice petite bundle of joy.

The Story:

Don't want to go into too many details however I do believe if you see this young lady you will walk away with a smile on your face that will last days.

She will go out of her way to make you feel like a king and most definitely enjoys her works and this reflects in the service she gives.

I really don't want to write this report as the odds are she will forever be booked up once more people discover her. However I owe it to the cause and to the lady herself. She is an absolute gem , look after her.

As a side note, Linzi...shes a keeper, don't let her go .
