The Premises:

Third visit to KSG having swerved it on arrival a couple of times recently due to busy front road and very busy back alley on Sunny days. Rainy day provided more cover this time round, nice empty alley, up the steps fast, no discretion concerns. Nice friendly receptionist, nicely decorated parlour.

The Lady:

Had seen her before at Samantha's old Palatine Rd location but if anything she looked younger this time round and a bit slimmer and more tanned though looked great both times. Came in to the room in really sexy black lingerie and some amazing strappy stiletto heels that were silver metal and black plastic mixed, really, really hot.

The Story:

Slight loss of points booking wise as receptionist never reappeared with the orange juice she was going to get me but Shelly wise = beyond amazing. Great back and neck massage with plenty of kissing, licking and teasing around my balls, legs and cock, told me I have nice smooth skin, got on top of me in a 69 position, wanked me and I licked her out and tongued her clit til she came whilst running my hands up and down her sexy legs and bum, told me I'm good at eating pussy. After she came she leaned over me kneeling at my side with me lay on my back and gave me an amazing hand job slapping my cock against her breasts and dirty talking me loads before having me jizz with my cock held over the top of her legs and near her pussy after she'd given my balls a nice lick and suck. Had a nice chat about a couple of parlours and different forums in punting land then left with a huge smile on my face after a peck on the cheek.
