### The Premises:

The location was a private flat about a 5 minute walk from Clapham South tube station. The entrance was discreet and the flat was clean.

### The Lady:

A black Brazilian girl, size 8 to 10 with 34b breasts although they seemed a bit bigger.

### The Story:

I had an enjoyable session. It started with a nice relaxing, firm massage. This was followed by sex in three positions; reverse cowboy, missionary and from behind. I was fully relaxed, but not as hard as I'd prefer. I finished by coming over her breasts.

The flat is shared with another girl.
