The Premises:

Quiet residential street in Newbury Park. Ample parking available and discreet house. House itself is very clean and tidy. Shower is well stocked with soaps and deodorants. Very well maintained.

The Lady:

Meghi is a girl in her early 20s. About 170cm tall, nice slim figure. Polish and has a wonderful bum.

The Story:

Was greeted in to the house by Meghi and Olivia who were dressed in black leggings and tank top. Very welcoming. Was after an hour's massage however the girls were due to clock off at the top of the hour so I opted for a four hand half hour massage. After having a shower, I laid on the massage table and had what has to be one of the best massages I've ever had. The girls had their rthym to a T. Made sure all of me was properly massaged and oiled. The ambient music added to the mood and it came to the ending. The girls were very well rehearsed as they had me go wild as the Skyfall track played. Had another shower, thanked the girls for an excellent massage and went off.
