The Premises:

Sandys Super Stars - parking available outside parade of shops where premises is located but even off peak it gets pretty full. It felt a safe area. Premises is clean with TV and magazines in waiting room. It still has the feel of a two bedroom room flat.

Fantasy room was also clean but some of the toys may be off putting to those of a nervous disposition.

The Lady:

pretty much as shown and described on the web site - slim, long dark hair, with a few tattoos although she was taller than I expected (a good thing)

The Story:

Another worthwhile experience in Manchester. She was chatty and friendly when she entered the room and offered me a shower. Lots of eye contact through out. Reasonable "O" with condom, although without was offered. Went onto reverse "O" before sex in standard 3 position. Overall A very enjoyable expience especially as this was at the end of a long day for her. Only down side was that she wasn't happy with my attention to her breasts, but foregivable when you take the experience as a whole. After we finished I was offered another shower after which Morgan showed me to the door, where we kissed goodbye.
