### The Premises:

The location was an upstairs maisonette with a fairly discreet entrance. It was clean and comfortable inside. There was a maid at the location. I walked from Lewisham station, but that was a good 1.5 mile walk. I think Hither Green may be nearer.

### The Lady:

An attractive, Romanian girl in her 30's. She was busty, but her breasts were enhanced.

### The Story:

Although enhanced boobs isn't my thing the service made up for my disappointment. Jenny gave me terrific uncovered oral with no hands while I was standing. It was about the best I've ever received. Facials were permitted so I took the opportunity by masturbate myself, because I just couldn't cum. I delivered an impressive load and Jenny enjoyed it too!
